

# BRYDEN DEVINE

## ABOUT ME

I am a passionate and motivated designer with expertise in illustration, animation, video editing & creation, branding, print, digital art, UX & UI design as well as creative thinking for marketing solutions and consumer-driven design. I synergise greatly amongst others in small or large teams with assured communication skills but also strive to achieve the same work standards independently by taking initiative, keeping organised and sticking to deadlines effectively.

## INDUSTRY EXPERIENCE

2020 - PRESENT

### The Idea Works / Graphic Designer

Pushing my boundaries of where my creative skills can take me working for big clients such as Santander, Seymour Hotels, Active, National Trust and more.

2018 - 2020

### The Idea Works / Junior Graphic Designer

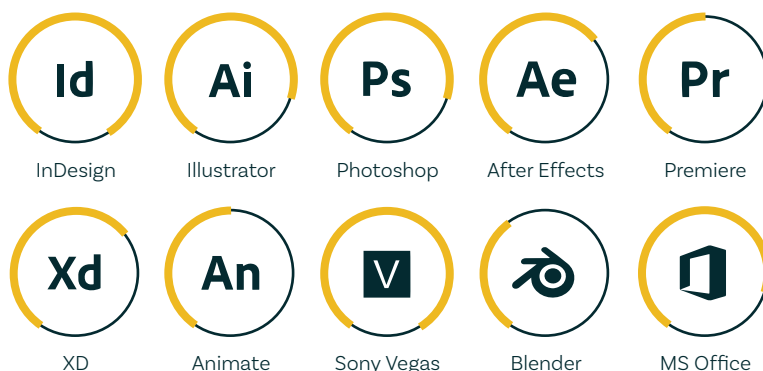

This was my first real experience working as a full time designer for an design agency. Starting my path to becoming a well experienced and skilled designer.

2017 - 2018

### Fotosound / Designer & Administrator

This role involved me designing posters, flyers and other sorts of advertisement to help gain more customers to the shop floor.
